***COLLECTION NOTE***

This collection documents "Folklorists in the Parks," a joint project of the Kentucky Folklife Program and the Kentucky Department of Parks. Folklorist Larry Morrissey conducted fieldwork among folk artists and performers in Hopkins, Christian and Caldwell Counties, near Pennyriple Forest State Resort Park. Their work was then showcased in public programming at the park. Bluegrass music, foodways traditions, tobacco farming, furniture making, mining, wood carving, stained glass, pottery, doll making and quilting were a few of the traditions discussed during recorded interviews. This collection includes field notes, a daily activity log, informant forms, audio cassette tapes and indices, photographs, negatives and indices and slides. Administrative papers include a project report, monthly progress reports and correspondence.
